REPORT OF THE SUPERINTENDENT OF SCHOOLS**To the Loudon School Board and Citizens:**

The schools opened last September with the same teachers in all the schools except the Osborne. While we were sorry to lose Miss Mitchell as a teacher there, we are glad to have any of our teachers advance in their profession.

Since the last report, several children have moved into the territory served by the Brown School, so it was possible to keep that school open. At present, it has ten pupils. The Ridge School has continued to grow. Its membership is now twenty.

In continuing our program for remodelling the larger schools, the lighting has been improved at the Ridge and new adjustable seats have been installed. It is planned to finish the work next year by putting in modern toilets and building a wood shed, at an estimated cost of \$500.

The School Board's Estimate calls for raising \$1,-204.33 less than was raised last year.

The total number of pupils registered, which dropped a little last year, is at the present time more than in 1933-34. Cases of tardiness last year were only 127, an average of about one per pupil, as against about two per pupil for last year.

Respectfully,

GEORGE W. SUMNER
